Hi, Jeff:

I was pleasantly surprised at all the information the website provides. It is through your dedicated effort that the CSAUS has been able to promote the Chinese culture in the U.S. for the better. Thank you so much!

Charles,

What a wonderful service you have provided to our school: the on-line registration system! I have converted our school records to your system and it works great. I can not wait to see our school members starting using the system soon.

Zou Wei,

Thanks for the tech info. But very often we can not use that feature, because sometimes members do need to communicate to each other "horizontally", not just "vertically" to CSAUS board. As long as a member believe it is appropriate, it is encouraged. But need to "avoid" un-necessary messages.

Hi, Zheng Liang gen,

We have just received 4 boxes of books which were given by Qiao Ban today via Fedex. They are all looked very good in quality and useful.

I would like to say thank you on behalf of our board in DMCLS. With your help and coordination, I am sure the shipped material will have a positive impact to our school in many years to come.

Thank you again and please keep in touch.

RE: Library books

Hi, Dr. Zheng,

I have received the books and they are in excellent condition. Thank you very much.

BTW, if there are unclaimed books, we would take more since we have so many students at our school. Thanks.
